Apostolate of the sick

Fragments of the CFD director's letter to the sick

Dear Patients,

I am asking you with a fervent request for prayer and offering a small part of your suffering for the Salvatorian Spiritual Formation Center in Krakow, which is facing a new challenge. [...] We need your spiritual support. [...]

Pray for us in personal and common prayer, especially for the cause of Saint Joseph and Saint John Paul II, that everything we undertake was in accordance with the will of god and that good god would send us good people who would help us to carry out our project. We, on the one hand, starting from the 5th october 2018, began the celebration of Holy Mass for everyone who labored spiritually and materially for our purpose on each first friday of the month. It will be celebrated until completion of construction.

FR. Krzysztof Wons SDS

Director of CFD in Krakow
